Premier

The Premier closet collection provides a truly luxurious home for your best wardrobe. With a choice of 5/8" or 3/4" melamine construction, it has the look and feel of fine cabinetry that will stand the test of time. Premier's elegant features include Italian-made door and drawer fronts with lacquered and glazed finishes, wood drawer boxes and an array of wood grains and solid color finishes.

Master walk-in closet in Chocolate Pear wood grain finish with crown molding and Premier cabinetry recessed panel doors. Tilt down hamper doors hide removable laundry baskets.

Premier's optional contour edge shelf profile offers contemporary elegance coupled with our bronze shoe fences and Antique White cabinetry finish.

Features

- ▶ Choice of finishes in solid color and fine wood grain selections
- ▶ 5/8" or 3/4" heavy-duty, thermal-fused melamine with optional contour edge shelf profile
- ▶ Italian-made 5-piece door & drawer fronts in DLV (decorative laminate veneer) with doveled miter joinery, and lacquered and glazed finishes
- ▶ Optional birch drawer boxes with dowel joinery and full extension, ball-bearing drawer runners

Fine Design

The beauty of our elegant, Italian door and drawer panels begins with their five-piece construction. Following the direction of the wood grain, the perimeter pieces frame the center panel as in high-end hardwood cabinetry. But unlike full hardwood cabinetry construction, Premier's DLV manufacturing technology for door and drawer panels is dramatically less expensive—bringing you the look and feel of beautiful custom cabinetry. Other design options include:

- ▶ Décor matching door and drawer profile selections in modern Pillowtop and classic Raised Panel (pantry, at right) styles
- ▶ Cabinetry trim details in crown, fluted and base molding
- ▶ Luxurious accessories such as rattan pantry baskets and slide-out spice and can racks, and much more

Premier includes select birch hardwood drawers. Each box is crafted with glue and dowel construction and includes full-extension, ball-bearing steel, side-mount drawer glides for a fine cabinetry finish.

Details abound in this lacquered and glazed Antique White finish walk-in closet (left) completed with oil rubbed bronze drawer and door pulls, baskets, bronze clothes poles, and baseboard trim molding.

Beautiful crown and fluted molding gives a classic look to this pantry in Warm Cognac wood grain, with matching cherry brown rattan baskets and slide-out spice and can racks for easy-to-find chef's essentials.
