ExecutiveSuite™ The professional solution.

ExecutiveSuite is the choice for business and professional offices. Hard working and built to last, ExecutiveSuite systems feature 16", 24" and 30" cabinets; full-extension drawer slides for easy access to files; full one-inch thick countertops; and fully-adjustable shelves.

ExecutiveSuite is just as at home in your kids' rooms. To make the most efficient use of space, we can combine ExecutiveSuite with a ClosetMaid MasterSuite™ system to build a work area within a closet, along with beautifully organized storage for clothing, games, toys and sports equipment.

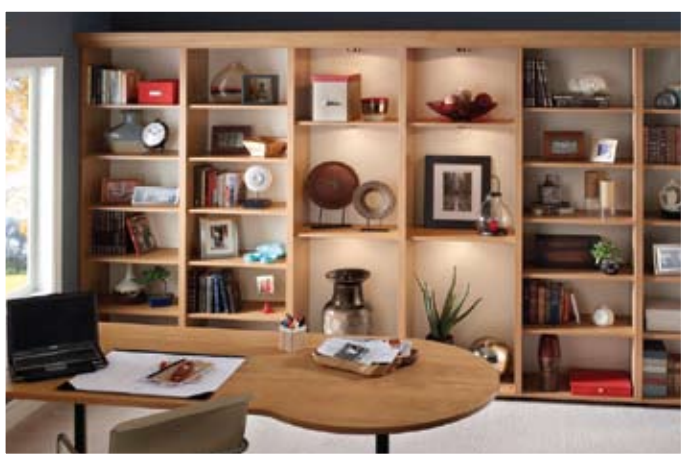

Don't forget, your kids work at home too.

Executive Suite™ Quality that respects your bottom line.

As the leader in storage and organization, we've built our reputation on quality and affordability. All ExecutiveSuite systems feature raised panel drawers and doors. Partitions and shelves are a sturdy $\frac{3}{4}$ " inch to hold books, computer equipment, and all those awards from the local Chamber of Commerce. We've done our job to make it easy for you to do yours.
