

Office

The Custom Office

Home office in Candlelight wood grain finish with recessed panel door and drawer profiles, and decorative trim moldings.

No more searching through boxes in a cold garage for important documents. No more messy cords and cables to untangle so you can print your document. No more store-bought desks that never seem to fit right in the room.

Get the built-in, custom home office system you've always dreamed of! We can design and install your stylish home office in no time.

Architectural Details

Beautiful, Italian-made door and drawer fronts adorn all our office cabinets as a standard feature. Made from decorative laminate veneer (DLV) manufacturing technology, it is dramatically less expensive than hardwood cabinetry and brings you the look and feel of handsome custom cabinetry. And for other home décors, we offer thermofoil raised panel or pillowtop profile cabinet fronts for a different look to your home office.

- ▶ Built-in, 3/4" melamine custom office components for wall-mount and base cabinetry, tall cabinets, bookcases, filing drawers, desks, tables and counter space
- ▶ Decorative accents such as crown, fluted and trim molding for use as baseboard, light valance or back-splash

- ▶ Italian-made, luxury recessed panel drawer and door profiles standard
- ▶ Thermofoil raised panel and pillowtop profiles optional
- ▶ Accessory options for keyboard and pencil trays, cable and electrical cord grommets

Custom Design

Every office space is unique. You may need an array of computer workstations, a bank of file drawers or an executive desk layout. All of these design options can be accommodated using the flexible and trend-setting office cabinetry system by Organizers Direct.

Our fine office furnishings are crafted and assembled from high quality materials. All cabinets have complete, fitted back panels. Drawers have over-extension, ball-bearing runners. Assembly and mounting hardware is concealed throughout. Enjoy your custom Organizers Direct office.

Mahogany finish office with raised panel doors and drawers, crown molding, Peninsula desk extension, corner wall cabinets and filing drawers.

Top: Maple wood grain finish home office with his 'n' hers sections, raised panels and peninsula shared conference area. Above: Raised Panel his 'n' hers home office with custom countertop.
