

A photograph of two women in a kitchen. One woman, with blonde hair and wearing a red sweater, is smiling and holding a green mug. She is facing another woman with long reddish hair who is wearing a light green jacket and has her back to the camera. The kitchen features wooden cabinets, a tiled backsplash, and a decorative plate on the wall. The scene is warmly lit.

*Bring your home life
to life.*

WOODHARBOR[®]
Doors & Cabinetry

*your heart,
your home*

Cabinets & Doors define your living space and hold the implements of your daily life. They offer you comfort and continuity.

Woodharbor creates thoughtful, enduring Cabinetry with distinctive details and timeless style. Choice woods, designer finishes and significant options.

We bring the same philosophy to Interior Doors – built per order, not mass-produced. Hand craftsmanship joins technology for Doors of beauty & substance. Abundant styles, woods and finishes.

Woodharbor offers you well-crafted Cabinetry, Interior Doors and wood products that work perfectly together:

- kitchen & bath cabinetry
- interior doors
- fireplace mantels
- detailed molding & millwork

With Woodharbor, your home's most interactive features will display harmonious beauty. Whether you build or remodel, highest quality Woodharbor products give you true creative cohesion.

Bring your home to life.

Woodharbor
Interior Doors

Outstanding Doors that define your home. Stiles and rails of veneered lumber core. Pre-stained "floating" panels are solid yet flexible for expansion & contraction.

With custom finishes to match your Woodharbor Cabinetry.

Woodharbor
Custom Cabinetry

As good as Cabinetry gets. Customizable to solve your design challenges. Hardwood birch interiors, silent self-closing drawers. A broad pallet with custom colors and hand-detailed designer finishes.

Prairie Lake
Interior Doors by Woodharbor

PrairieLake joins value and Woodharbor quality for beautiful, durable Doors to improve your home. The veneered composite-core stiles & rails are solid value without compromise. The fine finishes match Rockglen Cabinetry.

Rockglen
Cabinetry by Woodharbor

Rockglen gives you Woodharbor excellence plus great value to enhance your home. A remarkable selection of stains, glazes and enamel finishes for such affordable products. The smooth-gliding drawers are sure to please.
