Artesian Classics™

Color-Wash Collection

Color-Wash is a proprietary new process from Robbins® that takes the natural elegance of hardwood flooring a beautiful step beyond your expectations. The wood surface is treated with a special dark stain wash that accents the grain detail and texture like never before. The natural color in the floor and the darkened grain patterns create a stunning contrast. The result is a floor that sets a new standard of hardwood elegance.

Exclusive Color-Wash Process

Artesian Classics hardwoods present the Color-Wash process in four stylish wood signatures: Walnut, Birch, Maple, and Cherry
